

Majesco L&AH Intelligent Core Suite

Transforming Dental Insurance Operations for Group & Individual Markets

As customer expectations for dental services and a broader focus on preventive care continue to rise, insurers are rapidly expanding their offerings across both group and individual markets.

Majesco L&AH Intelligent Core Suite meets this need with a unified, cloud-native platform to manage DDPO and DHMO plans for Group, Voluntary Benefits, Worksite, and Individual Retail segments. With powerful automation and an embedded policyholder dashboard, insurers can support every aspect of the dental insurance business lifecycle from RFP to claims.

A Single Platform. Powerful Capabilities

Majesco Intelligent Core for L&AH empowers carriers to rapidly launch and efficiently manage dental products across the entire value chain. With rich, out-of-the-box capabilities and business-driven automation to reduce operational complexity, accelerate speed-to-market, and deliver a seamless customer experience.

Faster Time-to-Market

Launch and modify products quickly using prebuilt DPPO and DHMO templates, 100+ workflows, and 1,000+ business rules - without heavy IT lift.

Embedded Automation

Drive efficiency with straight-through processing, self-service provider portals, and built-in integrations with clearinghouses, provider databases, and more.

High Auto-Adjudication Rates

Leverage pre-built, template-based rules to achieve over 90% auto-adjudication, enhancing operational efficiency and claims accuracy.

Robust Process Management

Confidently manage complex scenarios like overpayments and support diverse operational models – including Onshore and Offshore – for ultimate flexibility and control.
